Committee Is Arranging For Elaborate Program at Utah Lake Resort.

Monday evening there was a mass cline shaft on the Mary Ellen Gulch ty yesterday and were enthused with Hall which voted to celebrate Pioside of the hill and soon as the tun- the surface showing and geological neer Day. Mayor Hunter was chairman and Ed Paxman secretary. The sentiment was unanimous for an enthusiastic celebration and those who made talks favored holding the celebration up town. This matter however, together with all the other details was left to a committee of the Sunday School superintendencies of the four wards to decide. The selection of this committe was also in harmony with a meeting held by the Bishops who had voted to have the Sunday Schools supervise the celebration. The committee met Wednesday night, elected Hyrum Blackhurst chairman The ore occurs in the lime.
